

Dementia Tips & Tricks to Support Caregivers and Professionals

Presented by members of the Long Island Alzheimer's and Dementia (LIAD) Center's Social Work Team and Anne Carroll, Director of The Artis Way Experience at Artis Senior Living of Commack. LIAD presenters include: Melissa Katz, LCSW, Senior Director of Programs; Jillian Viup, LCSW, Director of Counseling Services; and Gia Mannone, LMSW, Director of Day Program Services.

Join us for this in-person presentation to learn more about the progression of Alzheimer's disease and related dementias, effective communication strategies, care options and community resources, as well as caregiver support for family caregivers. Please come ready to share your questions and ideas with the group.

Please Register 1 week prior to each event.
